Cor. Kansas and Boulevard.

in fact, of Mogollon, for survey No. 1393, situated in the southeast quarter of section 33, township 10, south of range 19 west, containing 14,760 acres, being in the Concho mining district in Socorro county.

## ANOTHER OLD LAND MARK IS RAZED AT LAS CRUCES

New Riley Block Is Started; Elks to Initiate New Members; Hunting Parties Numerous; Personal.

Las Cruces, N. M., Oct. 10.—The Riley block of adobe store rooms is now a thing of the past, the last of the walls having been razed on Saturday. So passes another old land mark to make room for more modern business buildings, with which Las Cruces is keeping pace with its commercial advancement. Work on the new building started today.

The Spanish speaking people of Las Cruces held a dance at the armory on Saturday night, attended by a large number of people.

About 20 different hunting parties left Las Cruces Saturday night and Sunday morning after quail, the birds being especially numerous on the west side of the river and in the bosque lands north and south of town.

Las Cruces Lodge, No. 1119, B. P. O. Elks, will meet in the lodge rooms tomorrow night, at which time four candidates will be initiated and three applications voted upon. At this meeting the building committee will also make its report on the new home.

A proposition has been submitted to the W. L. A. in regard to the lodge taking over by lease the city park. If an agreement as to time and terms can be reached the Elks will start immediately on plans for a two-story club and dining house to be erected in the center of the park.

C. K. Fuller left for Santa Fe Saturday night to assume his duties as stenographer at the constitutional convention.

Mrs. A. B. Fall, of El Paso, and daughter, Mrs. Everhart, of Colorado, were in Las Cruces Saturday and Sunday, going from here to the Fall ranch at Three Rivers.

H. D. Bowman, president of The Bowman Bank & Trust company, returned Saturday from Los Angeles, where he had been attending the sessions of the National Bankers' association.

Mr. and Mrs. Frank T. French were El Paso visitors Sunday and today.

Judge Frank W. Parker came down from Santa Fe Sunday to spend the day with his family. Mrs. Parker, who has been quite ill for some time, is reported to be improving steadily.

Miss Minnie Williams, who has been in El Paso for several weeks, is visiting her parents here. She will remain in Las Cruces for a month.

W. H. H. Llewellyn spent Sunday at his ranch near Leasburg.

Mrs. Catarina Armijo and children returned yesterday from a visit of ten days with relatives in Albuquerque.

D. P. Greiner, of Boswell, is in Las Cruces. Mr. Greiner is deputy consul of the Modern Woodmen of America for the territory of New Mexico and is here to revise the lodge of that order in Las Cruces.

C. O. Hoffman returned from St. Louis today, after a two weeks' absence visiting his parents and on business.

Guthrie Smith, editor of the Alamogordo News, spent Sunday and Monday in the city on business.

George H. Clements came up from El Paso Saturday to get in a little work for the El Paso fair.

**MISS MAY ENTERTAINS LAS CRUCES FRIENDS**  
Las Cruces, N. M., Oct. 10.—Miss Ormeda May entertained at "Five Hundred" at the home of her sister, Mrs. Dirk Seligman, on Saturday afternoon.

Eight refreshments were served. Mrs. H. H. Compton was the first prize, a cut glass perfume bottle, and Mrs. L. Woodson captured the consolation prize, a hand painted pin tray. Those present were Mesdames Lee Watson, E. E. Day, R. L. Faulkner, Sam Manasse, Gus Manasse, Oscar Lehman, W. F. Jacoby, G. W. Frenger, E. J. Ascar, C. E. Hager, J. O. Miller, F. Freudenrich, C. E. Hagerty, A. B. Fall, H. H. Compton, W. H. Llewellyn, M. O. Llewellyn, John Lemon, Frank Isias, L. K. Edwards, P. J. Crowley, E. C. Wade, Sr., W. A. Sutherland, E. C. Wade, Jr., C. D. Case, Elias Spore, Hugh Ray, E. P. Porter, S. W. Lamb, D. V. Peacock, Misses Mary Cuniffe, Fide Tate, Josephine Armijo, Pearl Miller, Ida Llewellyn, Florence Dessauer, A. Forwood and H. Petin.

**CRUCES PREPARES PROGRAM FOR THE ARMY ENGINEERS**  
Las Cruces, N. M., Oct. 10.—A joint meeting of the directors of the Elephant Butte Water Users' association and the directors of the Mesilla Valley chamber of commerce was held on Sunday to arrange a program for the reception and entertainment of the members of the board of army engineers, who are to arrive here on Wednesday from El Paso. From here the engineers will visit the surrounding country under the dam, investigate the water system, view the proposed irrigating canal and then be escorted to the Leasburg diversion dam.

An elaborate program is being arranged, the final committees to be appointed today. These committees and the full program will be published in Tuesday evening's Herald.

**THE FEAR OF HUNBEG.**  
Prevents Many People From Trying a Good Medicine.

Stomach troubles are so common and in most cases so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical permanent cure for dyspepsia and indigestion. Many such pride themselves on their cures, but in never being humbugged, especially in medicine.

This fear of being humbugged can be carried too far, so far, in fact, that many people suffer for years with weak digestion rather than risk a little time and money in faithfully testing the claims made of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.

Now Stuart's Dyspepsia Tablets are vastly different from any important respect from ordinary proprietary medicines for the reason that they are not a secret patent medicine, no secret is made of their ingredients, but analysis shows them to contain the natural, restorative, pure aseptic pepsin, digestive acids, Golden Seal, bismuth, hydrastis and nux. They are not cathartics, neither do they act powerfully on any organ, but they cure indigestion on the common sense plan of digesting the food eaten thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success.

Cathartics will never have and never can cure indigestion and stomach troubles because they act entirely on the bowels, whereas the whole trouble is really in the stomach.

Stuart's Tablets taken after meals digest the food. That is all there is to it. Food not digested or half digested is poison as it creates gas, acidity, headaches, palpitation of the heart, loss of flesh and appetite and many other troubles which are often called by some other name.

They are sold by druggists everywhere at 50 cents per package.

## FARMER ORDERED TO VACATE LAND

The Government Secures Instructed Verdict in Las Cruces Ejectment Suit.

Las Cruces, N. M., Oct. 10.—In the case of the United States against Sam Rhodes, being for ejectment from land reserved for the reclamation service in connection with the Leasburg dam, at the conclusion of the testimony Saturday afternoon in the third judicial district court and on motion of the U. S. attorney, the court instructed a verdict for the plaintiff.

The attorneys for Henry Keese, who is before the court on a similar case on an agreed statement of facts. Judgment was rendered as in the preceding case and notice given that a motion for a new trial would be filed.

Appeals are now pending in the general land office from the decisions of the local land office rejecting the homestead entry applications made by Rhodes and Keese.

**MESILLA VALLEY FARMER CRUSHES HAND IN BALER**  
Las Cruces, N. M., Oct. 10.—John Candler, a Mesilla valley farmer, met with an accident on Saturday which injured his hand. He runs a power baler on his ranch and while adjusting it, his hand was caught in between the fly wheel and the base. The power had not yet been attached and the baler was being turned by hand. The hand is badly mashed and cut and he will not have the use of it for many days.

**FEDERAL GRAND JURY AT CRUCES DISCHARGED**  
Las Cruces, N. M., Oct. 10.—The United States grand jury finished its labors Saturday afternoon and was discharged with the thanks of the court. The territorial court convened this morning at 10 o'clock. The territorial grand jury this morning returned one "no bill" and two "true bills." It will be in session for several days more.

**LAS CRUCES MAN FALLS AND HAS FINGER BROKEN**  
Las Cruces, N. M., Oct. 10.—James Silva, while coming down the steps at the armory Saturday night, slipped and fell on the concrete in such a manner as to break the first finger of his right hand, necessitating his carrying that member in a sling for a few days.

**LAS CRUCES HOTEL ARRIVALS.**  
Las Cruces, N. M., Oct. 10.—Arrivals at the Don Bernardo hotel: Geo. H. Clements, El Paso fair; Christian Klein and wife, Quincy, Ill.; H. Jundt and wife, Silver City; Joseph J. Klein; A. W. Hadley, El Paso; Cuthbert Smith, Alamogordo; R. H. Symons, Chihuahua, Mex.

**TAIBAN FARMERS BUSY HARVESTING GOOD CROPS**  
Taiban, N. M., Oct. 10.—The farmers in this vicinity are busy harvesting their crops.

Many good stands of milo maize are reported south of town, some of which will make more than a ton to the acre.

Indian corn has done well on the plains this season and many fields will make an average of from 25 to 40 bushels to the acre.

The July and August rains have made grass good over the entire country and many farmers have been cutting hay at a very good profit.

J. Jones, who has a farm north of town, has cut and baled 10 tons of grama hay from his place, which he marketed at Taiban this week at 50 cents per bale.

T. J. Atkinson, who sold the cattle from his ranch southeast of town, is again stocking the range.

The Luther Watkins irrigation well, two miles east of town, has proved such a success that a committee of Taiban citizens is at work with a view of getting the entire Taiban valley under irrigation from pumping plants.

It has been estimated that 25,000 acres can be reclaimed in this manner. The underflow is very strong and holds at 35 feet.

## PECOS IS SEEKING A NEW POSTOFFICE

Remarkable Increase in Postal Receipts; Effort to Get Union Station.

Pecos, Texas, Oct. 10.—Postal receipts at Pecos for the quarter ending September last amounted to \$1957.18, as against \$1507.42 for the quarter ending September 30, 1909; this is an increase of approximately 25 percent, and basing the receipts from the Pecos postoffice for the governmental fiscal year ending March 31, 1911, on the above figures, it is estimated that the receipts for the present fiscal year will aggregate a total of between \$900 and \$950, or an increase of nearly 40 percent over the receipts of the preceding fiscal year, which ended March 31, last, at which time the receipts were slightly above \$500.

The possibilities are that the total figures may even exceed the \$900 mark, as the postal receipts are always somewhat larger during the fall and holiday months than in spring and summer.

On the strength of this fine showing, the local postoffice will move into the second class, and if the figures shown reach as much as \$10,000 at the end of the present fiscal year, the city will be entitled to free city delivery; also brought in line for a federal building.

The citizens of Pecos from this district will be asked to introduce a bill in the next congress appropriating not less than \$50,000 for a federal building in Pecos. Last year on account of the depletion of funds at Washington a smaller appropriation was made than ever before in this country. Therefore it is believed that the next congress will be more liberal, and while it takes several years to get a postoffice appropriation bill passed, especially for the smaller towns, there would really seem to be no reason why Pecos should not be one of the next towns in west Texas to secure governmental recognition in this regard.

Rev. C. D. Whittingbill, connected with various Protestant institutions in Italy, visited Pecos and made a very interesting talk at the First Baptist church here, on mission work in the Italian provinces. Dr. Whittingbill is connected with the Italian Theological Training school at Rome, and is on a tour of the southwestern states.

A large delegation of preachers and delegates, on their way to attend the annual Methodist conference, this year meeting at Artesia, N. M., left here, Rev. H. M. Smith, pastor of the First M. E. church, and Mrs. Albert Sisk, delegate, going from Pecos. From other points in the conference, Rev. J. D. Terry, of El Paso county; S. John, Col.; W. M. Sanford and Joe Hedgepeth and wife, Artesia; B. W. Wallin, Marfa; F. Cranner, Sierra Blanca; Geo. Ward, Toyah; J. H. Cox, Sanderson, and delegate W. M. Duncan from Fort Stockton, J. S. Wright and L. M. Law, of El Paso, also left to attend the conference.

It is expected that a movement will be started here to get the Texas & Pacific, Santa Fe and Pecos Valley Southern railroads to unite in putting in a joint depot in Pecos.

**SOME NEW BOOKS.**  
"First Love" by Marie Van Vorst (Cloth, \$1.50). The Bobbs-Merrill company, Indianapolis is based on a young fellow's worship of a woman some years older than himself, but still youthful and very lovely. Miss Van Vorst has fully illustrated the sacrifice of Virginia Bathurst in giving up the vigorous young giant whom she has kindly brooded over since his early boyhood, realizing that greatly as he must suffer now at the blow, he will one day thank her for thus forbidding releasing him and making it possible for him to marry a girl of his own age. The interest is continuous, the narrative direct and straightforward. First Love is a charming book, and women especially will read it with pleasure.

"My Brother's Keeper" by Charles Tenney Jackson, (Cloth, \$1.50). The Bobbs-Merrill company, Indianapolis has as its chief character an actor, madman, genius, fool, a preacher, a cut-throat, a poet, a philosopher, a tramp—Herford Rand. He enters the story as a criminal and dies a hero. Here is an epic of a great city, a modern story, crowded with life. It is a novel of earnest purpose, and cheering optimism.

## TOO MANY CATS IN EL PASO THINKS JOKE AD VICTIM

Everybody seemed to Have Cats to Sell to Man Who Didn't Want Any.

WANTED AT ONCE—50 cats. Must be over 6 months old and healthy. \$1 each for suitable cats. Ask for Mr. Craig, Angelus Bar, Mesa Avenue.

"Can there be so many cats in the whole world?" said C. D. Craig, as he hung up the telephone receiver in the Angelus bar, after informing the boy at the other end of the line that "I've got all the cats I want. No, it doesn't make any difference. I know you've got a nice cat, but I don't want it. No, I don't want any gray cat, nor black cat, nor white cat. No, I don't want any kind of a cat. No."

It all happened following the appearance in The Herald of the above innocent appearing want ad.

The want ad was inserted by some practical joker and soon after the paper was issued boys with cats began appearing at the Angelus bar and asking for Mr. Craig. Women began calling over the telephone, and at first Craig, not knowing of the ad, answered:

"Yes, I'll take them if they're dressed."

Finally someone mentioned that an ad asking for cats was in The Herald, and Craig started an investigation.

"I'll wager that 500 boys have been here with cats," said Craig Saturday. "Yellow cats, gray cats, striped cats, mangy and sick cats, sleek cats and other kinds have been brought for my inspection. I've answered the telephone steen times this morning. If I ever find out who put that ad in The Herald, well, just watch me."

R. A. Preston, a G. H. switchman, has resigned from the service.

## Reaping Benefit

From the Experience of El Paso People. We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of El Paso residents on the following subjects will interest and benefit thousands of our readers. Read this statement. No better proof can be had.

John Carpenter, 501 N. Stanton St. El Paso, Tex., says: "I found Doan's Kidney Pills to be an excellent remedy and I always advise their use to anyone I hear complaining of backache or kidney trouble. While living in Mexico some years ago, I did considerable horseback riding and it affected my kidneys, causing a pain in the small of my back and a difficulty with the kidney secretions. At that time I read of Doan's Kidney Pills and through their use, I was entirely relieved. Since then I have taken Doan's Kidney Pills, procured at Kelly & Pollard's Drug Store as occasion has demanded their use and they have always proven of benefit."

For sale by all dealers. Price 20 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
